NOTICE

NOTICE is hereby given that the Thirty Third Annual General Meeting (“AGM”) of Kotak Infrastructure Debt Fund Limited (“the Company”) will be held at shorter notice on Monday, September 27, 2021 at 04.00 p.m. The Annual General Meeting shall be held through Video Conferencing (“VC”) / Other Audio Visual Means (“OAVM”) on account of the outbreak of Covid-19 (Coronavirus) pandemic and in accordance with the relevant circulars issued by the Ministry of Corporate Affairs, to transact the following business through video conferencing:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Financial Statements of the Company for the year ended March 31, 2021, together with the Reports of the Directors and Auditors thereon.
2. To declare a dividend on Preference Shares of the Company.
3. To appoint a Director in place of Ms. Sujata Guhathakurta (DIN: 08099266), who retires by rotation and, being eligible, offers herself for re-appointment.
4. To consider and, if thought fit, to pass, with or without modification(s), the following Resolution as an Ordinary Resolution:

“**RESOLVED THAT** pursuant to the applicable provisions of the Companies Act, 2013 and the Rules made thereunder, the approval of the Members of the Company, be and is hereby accorded for appointment of M/s Gokhale & Sathe, Chartered Accountants, Mumbai (Firm Registration no.103264W) as the Statutory Auditors of the Company, in place of current auditors M/s S.R. Batliboi & Associates LLP, Chartered Accountants, to hold office from the conclusion of the Thirty Third Annual General Meeting (AGM) until the conclusion of the Thirty Sixth Annual General Meeting, at such remuneration plus out of pocket expenses, outlay and taxes as may be decided by the Board of Directors or the Audit Committee of the Company from time to time.”

“**RESOLVED FURTHER** that the Board of Directors and the Key Managerial Personnel of the Company be and are hereby authorized to do all such acts, deeds and things and execute all such documents, instruments and writings, as may be required and take all such steps as may be necessary, proper and expedient to give effect to this Resolution.”

SPECIAL BUSINESS:

5. To consider and, if thought fit, to pass, the following Resolution as a Special Resolution:

“**RESOLVED THAT** pursuant to the applicable provisions of the Companies Act, 2013, and the Rules thereunder (including any statutory modification(s) or re-enactment thereof for the time being in force) and the provisions of the Articles of Association of the Company, the Independent Director(s) of the Company be paid for the financial year 2020-21, a sum of Rs. 4 lakh each by way of annual commission, within the regulatory permissible limits.”

“**RESOLVED FURTHER** that the above commission shall be in addition to fee payable to the Independent Director(s) for attending the meetings of the Board or Committee thereof or for any other purpose whatsoever as may be decided by the Board of Directors and reimbursement of expenses for participation in the Board and other meetings.”

“**RESOLVED FURTHER** that approval of the Members of the Company be and is hereby accorded to the Board of Directors (including any Committee thereof) to do all such acts, deeds, matters and things and to take all such steps may be required in this connection including seeking all approvals as may be required to give effect to this Resolution and to settle any questions, difficulties or doubts that may arise in this regard.”

6. To consider and, if thought fit, to pass the following Resolution as a Special Resolution:

"RESOLVED THAT pursuant to the provisions of the Section 42, 71 and other applicable provisions of the Companies Act, 2013 read with the Companies (Prospectus and Allotment of Securities) Rules, 2014 and the Companies (Share Capital and Debentures) Rules, 2014 and other applicable rules and regulations including any statutory modifications or re-enactment thereof for the time being in force and subject to applicable regulations, rules and guidelines prescribed by the Securities and Exchange Board of India and subject to the provisions of the Memorandum and Articles of Association of the Company, the consent of shareholders is hereby accorded to the Board of Directors of the Company (as also, the Company hereby ratifies and confirms the authority granted under the resolution passed by the Board at its meetings held on May 24th, 2021 as may be amended or modified or rescinded from time to time if required, for issuance of debentures) for making/continue to make private placement offers and invitations and issuing secured/unsecured debentures, rated/unrated debentures and/or listed/unlisted debentures on a private placement basis from time to time under the applicable law including in accordance with the provisions of Section 42 of the Companies Act, 2013 or any other provisions if applicable under the Companies Act 2013, and related rules with such size ,coupon,/interest rate ,pricing as may be determined from time to time in one or more tranches/series under applicable law subject to the following:

- Tenor of each individual borrowings not to exceed 10 years
- Rate of interest payable on the borrowings not to exceed 9% per annum

pursuant to and upon the terms and conditions: as per Debenture Trust Deed cum Deed of Mortgage and Deed of Hypothecation dated December 13, 2018 for amounts aggregating up to the unutilized limits of Rs.900 Crores thereunder out of the limits of Rs.1000 crores for which the security is already created thereunder or under any other documents/deeds/agreements as may be made/sign/executed, subject to the debentures issued as above and outstanding at any point in time being within the overall borrowing limits as approved/may be approved by the shareholders by the special resolution under section 180 (1) (c) of the Companies Act, 2013 and each of said resolutions as may be amended or modified or rescinded from time to time."

"RESOLVED FURTHER THAT consent of the shareholders is hereby accorded to create security (if required) by way of a first pari passu mortgage or by any other form of security/charge arrangement by whatever named called including negative lien and in such form and manner and with such ranking and at such time and on such terms as may be determined over all right, title and interest of the Company over [Immovable Property] of the Company and security by way of charge/ hypothecation or by any other form of security/charge arrangement.by whatever named called including negative lien and in such form and manner and with such ranking and at such time and on such terms as may be determined over all rights, title, interest, benefits, claims and demands of the Company over all or any of the moveable properties/receivables arising out of loan, lease , hire purchase transactions, all other book debts and such other current assets as may be identified by the Company from time to time, investments , both present and future whether such monies receivable are retained in any of the accounts of the Company or otherwise, current assets of the company in favour of lender(s), agent(s) and/or debenture trustee(s) for the benefit of the lender(s)/debenture holder(s), for securing the borrowings availed/to be availed by the Company subject to the limit set under the shareholders' special resolution under Sections 180(1)(c) and 180 (1) (a) of the Companies Act, 2013, as may be amended or modified or rescinded from time to time."

"RESOLVED FURTHER THAT for the purpose of giving effect to all of the aforesaid Special Resolutions, the Board or any Committee thereof be and is hereby authorised to further authorise any person(s) , on behalf of the Company, to finalise terms, tenor and amount, coupon rate, interest rate, invite subscription, allot debentures, settle, sign, deliver, affix the common seal of the Company, wherever necessary or required, in accordance with law and the Articles of Association of the Company and execute such

documents/deeds/writings/ papers/ agreements as may be required and to do all acts, deeds, matters and things, as it may in its absolute discretion deem necessary, proper or desirable and to settle any question, difficulty or doubt that may arise in regard to the aforesaid special resolutions.”

For and on behalf of the Board of Directors

- vii. The Explanatory statement pursuant to Section 102 (1) of the Companies Act, 2013 is annexed hereto.

EXPLANATORY STATEMENT

In terms of Section 102(1) of the Companies Act, 2013, the following Explanatory Statement sets out all the material facts relating to Item Nos. 5 and 6 of the accompanying Notice dated September 13, 2021.

Item No. 5

Based on the recommendation of the Nomination & Remuneration Committee, the Board of Directors of the Company at its meeting held on April 27, 2021 had approved the payment of commission to the Independent Directors of the Company.

Approval of the Members is sought by means of a Special Resolution, for payment of commission to the Independent Directors of Rs. 4 lakh each by way of annual commission within the regulatory permissible limits.

The Directors recommend the Resolution at Item No. 5 of the accompanying Notice for approval of the Members of the Company.

None of the Directors (except the Independent Directors and their relatives), Key Managerial Personnel of the Company and/or their relatives may be deemed to be concerned or interested in the proposed resolution.

Item No. 6

The Members at its Extraordinary General Meeting held on August 7, 2018 had accorded its approval in accordance with Section 180(1)(c) of the Companies Act, 2013 to the Board of Directors of the Company for borrowing, from time to time and on such terms and conditions as may be determined by the Board of Directors of the Company, certain sums of money, notwithstanding that the sum or sums of moneys to be borrowed together with the moneys already borrowed by the Company (apart from temporary loans obtained or to be obtained from the Company's bankers in the ordinary course of business) may exceed the aggregate amount of the paid up capital of the Company, its free reserves, securities premium (that is to say reserves not set apart for any specific purpose), provided however that the maximum amount of money so borrowed by the Board and outstanding at any point in time shall not exceed the limit of Rs.1500 Crores. (Section 180(1)(c)Resolution).

Further, Board of Directors at its Meeting held on June 27, 2020 and the Members at its AGM held on August 11, 2020, had approved issue of debentures upto Rs 1,000 crores under the existing Deed of Mortgage and Deed of Hypothecation dated December 13, 2018 (out of which currently unutilized was Rs 900 crore) on a private placement basis from time to time such that the outstanding overall debt limit does not exceed the limit approved under section 180(1)(c). The security was also already created on this vide Deed of Mortgage and Deed of Hypothecation dated December 13, 2018.

Section 42 of the Companies Act 2013 requires any issuance of Non-Convertible Debentures ("NCDs") shall be approved annually by way of special resolution at the Shareholders Meeting. The Company is desirous of continuing to make further private placement offers and invitations and issue debentures in one or more series/tranches pursuant to and upon the terms and conditions of: Debenture Trust Deed cum Deed of Mortgage and Deed of Hypothecation dated December 13, 2018 for amounts aggregating up to the unutilized limits of Rs.900 Crores out of the limit of Rs 1000 crores thereunder or under any other documents/deeds/agreements made/sign/executed, subject to the debentures issued under as above and outstanding at any point in time being within the overall borrowing limits as approved/may be approved by the shareholders by the special resolution under section 180 (1) (c) of the Companies Act, 2013 and each of said resolutions as may be amended or modified or rescinded from time to time. The terms, the tenor and the amount of issuance of debentures and other terms and conditions for each series/tranche of borrowings shall be as may be decided by the Board from time to time in accordance with prevalent laws/regulations.

Approval of the Members is sought for the above by means of a Special Resolution.

The Directors recommend the Resolution set out at Item No. 6 of the accompanying Notice for the approval of the Members.

None of the Directors, Key Managerial Personnel of the Company and/or their relatives may be deemed to be concerned or interested in the proposed resolution.

For and on behalf of the Board of Directors

DIVIDEND

Your Directors recommend a dividend on the preference shares at the coupon rate i.e. 7.50% for the financial year ended 31st March, 2021. (Previous Year: 7.50%). The preference dividend would be paid to the preference shareholders whose names appear on the Register of Preference shareholders as on the date of Annual General Meeting ("AGM") being the Record Date for the purpose of dividend.

Further, with a view to conserve your Company's resources for future growth, your Directors do not recommend any dividend on equity shares (Previous Year: Nil).

CAPITAL

The Authorised Capital of your Company as on 31st March, 2021 is ₹ 6,10,75,00,000/-, consisting of 310,050,000 Equity Shares of ₹ 10/- each and 6014 Non-Cumulative Redeemable Preference Shares of ₹ 5,00,000/- each. The total paid up capital of the Company as on 31st March, 2021 is ₹ 3,10,70,00,000/- consisting of 31,00,00,000 equity shares of ₹ 10/- each and 14 Non-Cumulative Redeemable Preference Shares of ₹ 5,00,000/- each.

During the year under review, there was no change in the capital of the Company.

DEBENTURES

The Company has not issued any debentures during the financial year 2020-21. Further, IDBI Trusteeship Services Limited, is the Debenture Trustees for all the outstanding debentures of the Company. The contact details of the Debenture Trustees are as follows:

Name: IDBI Trusteeship Services Limited
 Address: Asian Building, Ground Floor, 17 R. Kamani Marg, Ballard Estate, Mumbai 400 001
 Contact No.: 022-40807000
 Email Id: paridhi@idbitrustee.com
 Website: www.idbitrustee.com

CAPITAL ADEQUACY

The Capital to Risk Assets Ratio ("CRAR") of the Company as on 31st March, 2021 was at 75.29%.

CREDIT RATING

The Company's short-term borrowing program from CRISIL and ICRA is rated "A1+". Further, the long-term secured borrowing program is rated "AAA/Stable" by CRISIL and ICRA.

A1+ / AAA indicates highest-credit-quality rating assigned by CRISIL and ICRA. Instruments with these ratings are considered to have highest degree of safety regarding timely servicing of financial obligations and such instruments carry lowest credit risk.

During the year under review, there was no change in the ratings of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

Business Activity

The Company is registered as a Non-Banking Financial Company (IDF) with Reserve Bank of India and is engaged in providing finance for infrastructure projects. The Company is entirely held by Kotak Mahindra Bank Limited and its subsidiaries.

It always endeavors to adopt the best practices and ensures highest standards of Corporate Governance through fair, ethical and transparent governance practices.

Operations

Your Company is into long term lending to infrastructure projects and during the year under review, the Company has carried out its operations satisfactorily. During the year, your Company has been able to forge relationships with marquee clients and build a robust asset book diversified across various Infrastructure sub-sectors. Credit norms, systems and processes have been set up to ensure strong growth while maintaining impeccable credit quality.

In the coming year, your Company will continue to focus on growing revenue and asset book while maintaining sectoral diversification and adhering to prudent credit norms. Your Company will endeavour towards further broadening the clientele and on boarding high quality corporates across sectors.

Infrastructure is the key to economic growth of the country, statutory and regulatory efforts have been ongoing to ensure the same. During the past year, we have witnessed important developments across various Infrastructure sub sectors.

Roads & Transportation

Two key macro developments took place during the year, with announcement of Bharatmala program and completion of auction process of first tranche Toll Operate Transfer projects. There has been considerable pick up in awarding of contracts in Roads sector, especially under Hybrid Annuity model. Overall, the sector seems to have moved past struggles and promises to play role of a key growth driver going forward. COVID-19 had a significant impact on the toll revenues. Your Company does not have any exposure to road projects.

Renewable Energy

The country continues to push towards achieving target capacity of 175 GW in Renewable Energy by 2022. The contribution of Renewable Energy in total installed capacity is 136 GW out of 373 GW (38%) as on November 30, 2020. There were multiple rounds of bidding for solar and wind energy during the year. The tariff has remained low during these rounds of bidding. In order to reduce the dependence on import of solar cells, Government of India has approved Production-Linked Incentive ("PLI") Scheme for ramping up domestic manufacturing of Solar Photovoltaic ("PV") Panels. The proposed scheme is envisaged to create additional 10,000 megawatt capacity of integrated solar PV manufacturing plants in the country. The amount approved under the proposed scheme is ₹ 4500 crore. Few concerns remain in the sector like viability of low tariff projects in view of fluctuation in equipment prices, probability of tariff renegotiation for earlier projects, grid curtailment and delay in payment by Discoms. During the COVID-19 lockdown period, all renewable plants have been operating and offtake has not been impacted. Your Company will continue to observe the sector keenly.

Other Infrastructure Sectors

Your Company continues its effort to broad-base asset book across various sub sectors within Infrastructure, sectors like Education, Healthcare, Power Transmission, SEZ / Industrial Parks will be key areas of interest. Also during the last year, Logistics sector has been accorded with status of Infrastructure, opening new avenues of growth for the Company.

COVID-19 Impact

After initial lock down in the beginning of FY 21, it seemed that India remained relatively less affected by COVID-19 compared to rest of the world. There was significant support from Government as well as regulator to tide over this first wave. However, since March 21, India has seen a huge surge number of cases as well as in the mortalities. Most of countries have found vaccination effective and in India a large part of the population is likely to be vaccinated by December 21. COVID-19 is likely to have a significant impact on global as well as domestic macro economic environment. Your Company will have ample opportunities in the current year to grow both in market share as well as book size in the lending business as other financial institutions are slowing down because of credit and liquidity issues.

Your Company shall remain conservative until we have clarity on what the post COVID-19 scenario shall bring. Your Company is closely monitoring the economic activity specifically in the Company's focus areas and it is confident of capturing the financing opportunity in the Infrastructure space.

Internal Controls

Your Company has an internal control system including Information Technology based controls, commensurate with the size, scale and complexity of its operations. The scope and authority of the Internal Audit function is defined in Internal Audit Charter. The Internal Audit department of the holding company Kotak Mahindra Bank Limited, conducts a review to assess the financial and operating controls. Significant audit observations and corrective actions thereon are presented to the Audit Committee of the Board.

Human Resources

Your Company is professionally managed and it follows open, transparent and meritocratic policy to nurture the human resources. Human resources function is managed by the Group Human Resources team of its holding company, Kotak Mahindra Bank Limited.

Information Technology

Your Company uses the technology platforms owned and managed by its holding company, Kotak Mahindra Bank Limited. Further, your Company has constituted IT Strategy Committee to ensure that the Company has proper balance of IT investments for sustaining Company's growth and manage IT risks and controls. The composition of IT Strategy Committee of the Company as on 31st March, 2021 is as follows :

Mr. Raghunandan Maluste – Chairman

Mr. K.V.S Manian – Member

Mr. Manoj Gupta - Member

Further, the Company has in place various Board approved policies for ensuring that the management has put an effective strategic planning process in place.

Cautionary Note

Certain statements in the 'Management Discussion and Analysis' section may be forward-looking and are stated as may be required by applicable laws and regulations. Many factors may affect the actual results, which could be different from what the Directors envisage in terms of future performance and outlook. Your Company does not undertake to update these statements.

DIRECTORS

Directors retiring by rotation during the year

Ms. Sujata Guhathakurta (DIN: 08099266), Director, retires by rotation at the Thirty Third Annual General Meeting and being eligible, has offered herself for re-appointment.

Declaration from Independent Directors

The Board has received declarations from the Independent Directors as per the requirement of Section 149 (7) of the Companies Act, 2013 and the Board is satisfied that the Independent Directors meet the criteria of independence as mentioned in Section 149 (6) of the Companies Act, 2013. All the Independent Directors of the Company have complied with the provisions of sub rule (1) and (2) of Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Board Evaluation

In line with the provisions of the Companies Act 2013 and the Rules made thereunder, a Board effectiveness assessment questionnaire was designed for the performance evaluation of the Board, its Committees, Chairman and individual directors and in accordance with the criteria set and covering various aspects of performance including structure of the board, meetings of the board, functions of the board, role and responsibilities of the board, governance and compliance, evaluation of risks, grievance redressal for investors, conflict of interest, relationship among directors, director competency, board procedures, processes, functioning and effectiveness. The Nomination and Remuneration Committee of the Company has approved the amendment to the questionnaire to be used as a tool for review of performance of the Board, its Committees, Chairman and individual directors (including independent directors). The said questionnaire was circulated to all the directors of the Company for the annual performance evaluation.

Based on the assessment of the responses received to the questionnaire from the directors on the annual evaluation of the Board, its Committees and the individual Directors (including independent directors), a summary of the Board Evaluation was placed before the meeting of the Board of Directors for their consideration. The Directors were satisfied with the results of the performance evaluation of the Board and its Committees, Chairman and individual directors (including independent directors). Some of the suggestions given by the Directors were on increasing the frequency of Audit Committee Meeting, providing quarterly CSR updates to the Board, focus on succession planning, training, etc.

Directors

The composition of the Board of Directors of the Company is governed by the provisions of the Companies Act, 2013 and the Rules made thereunder including the statutory modifications, reenactments, amendments made thereon from time to time. As on 31st March, 2021 the Board of Directors of the Company comprises of six members, of which two are Independent Directors and four are Non-Executive Directors. The Directors present at the meeting elect the Chairman for each Board Meeting. The Board of Directors have appropriate qualifications, skills, experience and knowledge required to deliberate on the matters presented before them and conduct the affairs of the Company effectively.

The composition of the Board of Directors of the Company as on 31st March, 2021 is as follows:

Mr. Dipak Gupta	- Non-Executive Director
Mr. K.V.S Manian	- Non-Executive Director
Mr. Arvind Kathpalia	- Non-Executive Director

Ms. Sujata Guhathakurta - Non-Executive Director

Mr. Uday Phadke - Independent Director

Mr. Raghunandan Maluste - Independent Director

Mr. Uday Phadke has resigned as an Independent Director of the Company with effect from July 5, 2021 as he would like to reduce his work commitments, having crossed the age of 70 years. Your Directors place on record their sincere appreciation for the contribution made by Mr. Phadke during his tenure as a Director of the Company.

Key Managerial Personnel (KMPs)

The Board at its meeting held on 22nd June, 2020 has approved the appointment of Mr. Manoj Gupta as the Manager of the Company w.e.f 22nd June, 2020 for a period of 2 years and the shareholders of the Company had also approved the same. Mr. Bhavesh Jadhav is the Company Secretary of the Company.

Further, in terms of the provisions of Section 203 of the Companies Act, 2013, Mr. Manoj Gupta, Chief Executive Officer, Chief Financial Officer & Manager and Mr. Bhavesh Jadhav, Company Secretary, are the Key Managerial Personnel of the Company.

Appointment and Remuneration of Directors and KMPs

The Nomination and Remuneration Committee of the Company considers the qualifications, experience, fit and proper status, positive attributes as per the suitability of the role and independent status and various regulatory/statutory requirements as may be required of the candidate before such appointment of the Directors and Senior Management Personnel.

The Board has adopted a Remuneration Policy for Chief Financial Officer and other employees of the Company. The Policy is in line with the Compensation Policy of Kotak Mahindra Bank Ltd., its holding company, which is based on the Guidelines issued by Reserve Bank of India. The salient features of the Remuneration Policy of the Company as on 31st March, 2021 are as follows:

- Objective is to maintain fair, consistent and equitable compensation practices in alignment with Kotak's core values and strategic business goals.
- Applicable to all employees of the Company. Employees classified into 3 groups:
 - o Whole-time Directors/Chief Executive Officer
 - o Risk, Operations and Compliance Staff
 - o Other categories of Staff
- Compensation structure broadly divided into Fixed, Variable and ESOPs
 - o Fixed Pay – Total cost to the Company i.e. Salary, Retirals and Other Benefits.
 - o Variable Pay – Linked to assessment of performance and potential based on Balanced Key Result Areas (KRAs), Standards of Performance and achievement of targets with overall linkage to Company's budgets and business objectives. The main form of incentive compensation includes – Cash, Deferred Cash/Incentive Plan and Stock Appreciation Rights.
 - o ESOPs – Granted on a discretionary basis to employee based on their performance and potential with the objective of retaining the employee.
- **Compensation Composition** – The ratio of Variable Pay to Fixed Pay and the ratio of Cash v/s Non Cash within Variable pay outlined for each category of employee classification.
- Any variation in the Policy to be with approval of the Nomination and Remuneration Committee.
- Malus and Clawback clauses applicable on Deferred Variable Pay.

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors have adopted a compensation policy for the Independent Directors (IDs) of the Company. The salient features of the Compensation Policy are as follows:

- Compensation structure broadly divided into:
 - o Sitting fees
 - o Re-imbusement of expenses
 - o Commission (profit based)
- Amount of sitting fees and commission to be decided by the Board from time to time, subject to the regulatory limits.
- Independent Directors are not eligible for any stock options of Kotak Mahindra Bank Ltd., the Company's holding company.

Remuneration to the KMPs i.e. Chief Executive Officer, Chief Financial Officer, Manager and the Company Secretary, is as per the terms of their employment.

The Compensation Policy of the Company is available on the Company's website viz URL: <https://kidfl.kotak.com/>

Number of Board Meetings

During the financial year under review, ten meetings of the Board of Directors of the Company were held on 29th April, 2020, 23rd May, 2020, 22nd June, 2020, 22nd July, 2020, 24th October, 2020, 14th January, 2021, 20th January, 2021, 26th February, 2021, 15th March, 2021 and 31st March, 2021.

Disclosures pursuant to Rule 5 of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

1. Ratio of the remuneration of each director to the median remuneration of the employees for the financial year: -

Name	Title	Ratio	Ratio excluding SARs
		Nil	

Refer note 1.

2. Percentage increase in remuneration of each director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year:

Name	Title	% increase in remuneration	% increase in remuneration excluding SARs
Mr. Manoj Gupta	CEO, CFO & Manager	-7.90%	-7.67%
Mr. Bhavesh Jadhav	Company Secretary	7.37%	7.37%

3. Percentage increase in the median remuneration of employees in the financial year: 7.4%
4. Number of permanent employees on the rolls of Company at the end of the year: 8
5. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

For employees other than managerial personnel who were in employment for the whole of FY 2019-20 and FY 2020-21 the average increase is 7.4% and 7.4% excluding SARs.

Average increase for managerial personnel is -5.8% and -4.9% excluding SARs.

6. Affirmation that the remuneration is as per the remuneration policy of the Company:

The Company is in compliance with its Remuneration Policy.

Notes:

- The Independent Directors of the Company receive remuneration in the form of sitting fees for attending the Board/Committee meetings and in the form of an annual profit based commission.
- Remuneration includes Fixed pay + Variable paid during the year + perquisite value as calculated under the Income Tax Act, 1961. However, it does not include value of Stock Options.
- Stock Appreciation Rights (SARs) are awarded as variable pay. These are settled in cash and are linked to the average market price/ closing market price of the stock of Kotak Mahindra Bank Ltd. on specified value dates. Cash paid out during the year is included for the purposes of remuneration.
- Mr. Manoj Gupta was appointed as the Manager of the Company w.e.f 22nd June, 2020.

Audit Committee - Chairman

Nomination And Remuneration Committee - Member

Whistle Blower Committee - Chairman

AUDITORS

M/s. S.R. Batliboi & Associates LLP, were appointed as the Statutory Auditors of the Company for a period of five years, to hold office from the conclusion of the 29th Annual General Meeting till the conclusion of the 34th Annual General Meeting of the Company.

In view of the Guidelines, for Appointment of Statutory Central Auditors (SCAs)/Statutory Auditors (SAs) of Commercial Banks (excluding RRBs), UCBs and NBFCs (including HFCs) issued by the Reserve Bank of India ("RBI") vide Circular No. DoS.CO.ARG/SEC.01/08.91.001/2021-22 dated 27th April, 2021, an audit firm can concurrently take up statutory audit of eight NBFCs during particular year. Due to such limitation, M/s S.R. Batliboi & Associates LLP have expressed to resign as the Statutory Auditors of the Company from the conclusion of the 33rd Annual General Meeting.

Further, based on the recommendations of the Audit Committee, the Board of Directors at its Meeting held on September 13, 2021, inter alia had approved and recommended, subject to the approval of the Members, appointment of M/s Gokhale & Sathe, Chartered Accountants (Firm Registration no.103264W) as the Statutory Auditors of the Company from the conclusion of the 33rd Annual General Meeting until the conclusion of the 36th Annual General Meeting of the Company at such remuneration plus out of pocket expenses, outlay and taxes as may be decided by the Board of Directors or the Audit Committee from time to time.

The approval of the Members is being sought at the ensuing AGM for the aforementioned appointment of the Statutory Auditors of the Company.

There are no qualifications, reservations, adverse remarks or disclaimers made by M/s. S.R. Batliboi & Associates LLP, Chartered Accountants, in the Statutory Auditors Report.

INTERNAL FINANCIAL CONTROLS

The Board of Directors confirm that your Company has laid down set of standards, processes and structure which enables to implement Internal Financial controls across the organization with reference to Financial Statements and that such controls are adequate and are operating effectively. During the year under review, professionals were appointed to evaluate efficacy of controls and as per report submitted by them no material or serious deviation has been observed.

RELATED PARTY TRANSACTIONS

All Related Party Transactions that were entered into during the financial year were on arm's length basis and were in the ordinary course of business.

Pursuant to Section 134(3)(h) read with Rule 8(2) of the Companies (Accounts) Rules, 2014, there are no transactions to be reported under Section 188(1) of the Companies Act, 2013, in form AOC-2.

All Related Party Transactions as required under Accounting Standards Ind AS24 are reported in Notes to Accounts under note no 26.

The Company's Policy on dealing with Related Party Transactions is available on the Company's website viz. URL: <https://kidfl.kotak.com/>

PARTICULARS OF LOAN GUARANTEES OR INVESTMENTS

Pursuant to Section 186 of the Companies Act, 2013 read with Rule 11 of Companies (Meetings of Board and its Powers) Rules, 2014, the Company being a Non-Banking Financial Company registered with Reserve Bank of India, is exempt from the provisions of Section 186 of the Companies Act, 2013.

WHISTLE BLOWER POLICY AND VIGIL MECHANISM

Your Company has also put in place the Whistle Blower Policy to raise concerns internally and to disclose information, which the individual believes shows malpractice, serious irregularities, fraud, unethical business conduct, abuse or wrong doing or violation of any Indian law. Further, during the year under review no personnel has been denied access to the Audit Committee for raising their concern. The Company's Whistle Blower Policy is available on the Company's website viz. URL: <https://kidfl.kotak.com/>

CORPORATE SOCIAL RESPONSIBILITY

Your Company has constituted a Board Corporate Social Responsibility Committee (CSR Committee) in accordance with the provisions of Section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, as amended.

Your Company's CSR Committee is responsible to monitor, review and approve Corporate Social Responsibility (CSR) initiatives and expenditure. It also makes recommendations to the Board on CSR Policy and related matters. It is the CSR Committee's role to oversee the implementation of all the CSR activities of the Company.

The CSR approach of your Company is charted out in its Board approved CSR policy. This policy sets out your Company's vision, mission, governance, and CSR focus areas to fulfill its inclusive growth agenda in India. It also demonstrates your Company's contribution towards the economic, environmental and social growth of the nation and is also committed to contribute towards United Nation's (UN) Sustainable Development Goals (SDGs).

The Company's CSR policy is available on the Company's website viz. URL: <https://kidfl.kotak.com/>

The CSR policy, projects, programmes and the CSR expenditure are all compliant with the CSR mandate as specified under section 134, section 135 read with schedule VII of the Companies Act, 2013 along with the Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended from time to time and in line with the Government of India's notifications issued from time-to-time.

The average net profit u/s 198 of the Companies Act, 2013 of the Company for the last three financial years preceding 31st March, 2020 is ₹ 24.86 crore.

The prescribed CSR expenditure required u/s 135 of the Companies Act, 2013 for FY 2020-21 is ₹ 0.50 crore.

The CSR expenditure incurred for the period April 1, 2020 to March 31, 2021 under Section 135 of Companies Act, 2013 amounts to ₹ 0.50 crore as against ₹ 0.15 crore CSR spend in the FY 19-20.

CSR expenditure of ₹ 0.50 crore in FY 2020-21 as a percentage of average net profit under section 198 of the Company for the last three financial years preceding 31st March, 2021 is 2.00%.

It is the constant endeavour of the Company to enhance its CSR capabilities by adopting a purpose driven CSR approach, focusing on sustainable and scalable programmes, spreading in focused geographies and aligning to SDGs and the national narrative.

The implementation of the CSR projects and programmes is done directly and /or through selected partner who may be either governmental agencies, NGOs and/or other institution, having a proven track record to implement cost and process efficient CSR projects and/or programmes that are scalable, sustainable, and have measurable social outcomes and impact. In addition, the implementation is done through employee volunteering.

Your Company does not consider “administrative overheads” as a part of its CSR expenditure.

The CSR Committee of the Board confirms that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company.

The details of CSR Programmes and Expenditure under section 135 of the Companies Act, 2013, for FY 2020-21, are annexed to this report in Annexure II.

SECRETARIAL AUDITOR

Pursuant to Section 204 of the Companies Act, 2013, your Company has appointed Parikh & Associates, Company Secretaries, as its Secretarial Auditor for FY 2020-21. The Secretarial Audit Report for the financial year ended 31st March, 2021 is annexed to this Report. Your Company is in compliance with the applicable Secretarial Standards issued by The Institute of Company Secretaries of India and approved by the Central Government under Section 118(10) of the Companies Act, 2013 for FY 2020-21.

The Secretarial Auditor's Report does not contain any qualifications, reservations, adverse remarks or disclaimers and is annexed to this Report.

ANNUAL RETURN

Pursuant to section 134(3)(a) and section 92(3) of the Companies Act, 2013 read with Rule 12(1) of the Companies (Management and Administration) Rules, 2014, the annual return of the Company for the financial year ended 31st March, 2021, is available on the website of the Company Url: <https://kidfl.kotak.com>

RISK MANAGEMENT POLICY

Your Company manages risk based on Risk Management framework which lays down guidelines in identifying, assessing and managing risks that the entity is exposed to. Risk Management Committee meetings are conducted to review key risks like Credit Risk, Liquidity Risk, Operational Risk and various other risks.

EMPLOYEES

The employee strength of your Company was eight employees as of 31st March, 2021.

One employee employed throughout the year was in receipt of remuneration of ₹ 102 lacs or more per annum and no employees employed for part of the year were in receipt of remuneration of ₹ 8.5 lakh or more per month.

As required by the Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013, the Company has in place a Policy on Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal). No such instances were reported during the year.

In accordance with the provisions of Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the names and other particulars of employees are set out in the annexure to the Directors' Report. In terms of the Proviso to Section 136(1) of the Companies Act, 2013, the Directors' Report is being sent excluding the aforesaid annexure. The annexure can be requested via email by writing to the Company Secretary at bhavesj.jadhav@kotak.com on all working days up to the date of ensuing Annual General Meeting.

DEPOSIT

The Company did not accept any deposits from the public during the year. Also there are no deposits due and outstanding as on 31st March, 2021.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

The provisions pertaining to the Conservation of Energy and Technology Absorption are not applicable to your Company.

During the year under review, the Company had no foreign exchange inflow and outflow (Previous Year : NIL).

REPORTING OF FRAUDS BY AUDITORS

During the financial year under review, no instances of fraud committed against the Company by its officers or employees were reported by the Statutory Auditors and Secretarial Auditor of the Company, under Section 143(12) of the Companies Act, 2013 to the Audit Committee or the Board of Directors of the Company.

DIRECTORS' RESPONSIBILITY STATEMENT

The Directors, based on the representations received from the management, confirm in pursuance of Section 134(5) of the Companies Act, 2013 that:

- i) the Company has, in the preparation of the annual accounts, followed the applicable accounting standards along with proper explanations relating to material departures, if any;
- ii) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2021 and of the profit of the Company for the financial year ended 31st March, 2021;
- iii) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- iv) the Directors have prepared the annual accounts on a going concern basis.
- v) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively.
- vi) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

ANNEXURES

Following statements/reports are set out as Annexures to the Directors' Report:

- (a) Secretarial Audit Report pursuant to Section 204 of the Companies Act, 2013 (Annexure – I).
- (b) Annual Report on CSR activities of the Company (Annexure II).

ACKNOWLEDGEMENTS

The Board takes this opportunity to place on record, its gratitude for the valuable guidance and support received from statutory and the regulatory authorities, its appreciation of the dedication and contribution of your Company's employees at all levels.

For and on behalf of the Board of Directors

ANNEXURE - I
FORM No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2021

[Pursuant to section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Kotak Infrastructure Debt Fund Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Kotak Infrastructure Debt Fund Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, to the extent the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by The Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on 31st March, 2021, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on 31st March, 2021 according to the applicable provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time; (Not applicable to the Company during the audit period)
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (Not applicable to the Company during the audit period)
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (Not applicable to the Company during the audit period)
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during the audit period) and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company during the audit period)
- (vi) Other laws applicable specifically to the Company namely:-
 - All the Rules, Regulations, Directions, Guidelines and Circulars applicable to Non Banking Financial Companies under the RBI Act, 1934
 - The Prevention of Money-Laundering Act, 2002 and The Prevention of Money Laundering (Maintenance of Records, etc.) Rules, 2005

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meetings are generally complied.
- (ii) The Listing Agreement entered into by the Company with National Stock Exchange of India Limited and BSE Limited with respect to Non Convertible Debentures issued by the Company read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, standards etc. mentioned above. The Company has spent an amount of Rs. 30.00 lacs towards Corporate Social Responsibility as against an amount of Rs. 50.00 lakhs to be spent during the year and the unspent amount of Rs. 20.00 lacs on ongoing projects has been transferred to a separate bank account within the prescribed time.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors that took place during the period under review.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance for meetings other than those held at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Decisions at the Board Meetings were taken unanimously.

We further report that there are systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines etc.

We further report that during the audit period, there were no events which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

ANNEXURE - II

ANNUAL REPORT ON CSR ACTIVITIES OF THE COMPANY

1. BRIEF OUTLINE ON CSR POLICY OF THE COMPANY :

The Company recognizes the immense opportunity it has to bring about a positive change in the lives of the communities through its business operations and Corporate Social Responsibility (CSR) initiatives.

The Company aspires to be a trusted partner and contributes significantly towards the economic, environmental and social growth of the nation and is also committed to contribute towards United Nation's (UN) Sustainable Development Goals (SDGs). This policy sets out the Company's vision, mission, governance, and CSR focus areas to fulfil its inclusive growth agenda in India.

While ensuring that its CSR Policy, projects and programmes are compliant with the CSR mandate as specified under section 134, section 135 read with Schedule VII of the Companies Act, 2013 along with the Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended from time to time and in line with the Government of India's notifications issued from time-to-time, the Company endeavours to align its CSR projects and programmes with government initiated social development programmes and interventions and last but not the least, United Nation's Sustainable Development Goals (SDG).

Independent Auditor's Report

To the Members of Kotak Infrastructure Debt Fund Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Kotak Infrastructure Debt Fund Limited (the "Company"), which comprise the Balance sheet as at 31st March 2021, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 1.2.D.(XII.i) to the accompanying standalone financial statements, which describes the uncertainties associated due to the outbreak of Coronavirus (COVID-19). The Impact on the Company's operations and financial metrics is dependent on the future developments which are highly uncertain.

Our Opinion is not modified in respect of this matter

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended 31st March, 2021. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Key audit matters	How our audit addressed the key audit matter
<p>Impairment of financial instruments (Loans and Investments) including provision for expected credit losses: (Refer notes 1.2.E (XII.II) to accounts of the financial statements and note 4 & 5 of the notes to the financial statements)</p> <p>Loans and Investment amount to ₹ 91,986.11 lakh (net of expected credit loss) at 31st March, 2021 as disclosed in the Ind AS financial statements.</p> <p>Ind AS 109 Financial instruments (Ind AS 109) requires the Company to provide for impairment of its financial instruments (designated as amortised cost or fair value through other comprehensive income) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles mentioned in the standard. In the process of applying such principles and other requirements of the standard, a significant degree of judgement has been applied by the management in respect of following matters:</p> <p>a) Determining the staging of loans.</p> <p>b) Determining probability of default (PD) using history of default for long term rated loans by leading credit rating agencies and considering the impact of macroeconomic factors.</p>	<p>- Our audit procedures included considering the Company's board approved policies for impairment of financial instruments and assessing compliance with the policies in terms of Ind AS 109.</p> <p>- We understood the process of ECL estimation and tested the design and operating effectiveness of key controls around data extraction and validation.</p> <p>- We tested the operating effectiveness of the controls for staging of loans and advances based on their past-due status.</p> <p>- We understood the methodology used by the management to arrive at their ECL provision including testing the key assumptions determining the PDs.</p> <p>- We have verified LGD rates have been considered as mentioned in the ECL policy. Further, examined if higher LGD needs to be considered basis the inherent credit weakness and recoverability of the underlying collateral of the borrow for samples tested.</p>

<p>c) Estimation of management overlay to determine the forecasted PD</p> <p>d) Estimation of loss given default (LGD) based on haircuts and recovery percentages as suggested in Basel regulations</p>	<p>- We have understood the management overlay methodology applied to ascertain a best estimate impact of COVID-19 on the ECL provision and assessed the reasonableness thereof. The actual impact may vary from the estimates made by the management.</p> <p>- We tested the arithmetical accuracy of computation of ECL provision performed by the Company.</p> <p>- We assessed the disclosures included in the Ind-AS financial statements with respect to such allowance / estimate are in accordance with the requirements of Ind AS 109 and Ind AS 107 Financial Instruments: Disclosures.</p>
---	---

Further, in light of the business disruption caused due to COVID-19, the management has done an assessment of the impact on the ECL on the abovementioned financial assets. The management using certain assumptions and estimates, applied management overlays to arrive at a probable impact on COVID-19 on the ECL provision. These assumptions and estimates used have an inherent uncertainty of the actual impact of COVID-19 and the actual impact may be different from these estimates.

Given the complexity and significant judgement and the uncertainty of impact of COVID-19 involved in the estimation of expected credit losses on loans and investments, we have considered this area as a key audit matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report (which includes the Director's report), but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended 31st March, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 (the "Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
 - (g) In our opinion, the managerial remuneration for the year ended 31st March, 2021 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act ;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure I referred to in paragraph 1 of Report on Other Legal and Regulatory Requirements on our report of even date

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) Fixed assets have been physically verified by the management during the year and no material discrepancies were identified on such verification.
- (c) According to the information and explanations given by the management and audit procedures performed by us, the title deeds of immovable properties included in property, plant and equipment are held in the name of the Company.
- (ii) The Company's business does not involve inventories and, accordingly, the requirements under paragraph 3(ii) of the Order are not applicable to the Company.
- (iii) According to the information and explanations given to us and audit procedures performed by us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 (the "Act"). Accordingly, the provisions of clause 3(iii)(a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- (iv) The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Section 185 and 186 of the Act. Therefore, the provisions of this clause are not applicable to the Company. The Company is registered as a Non-Banking Financial Company – Infra Debt Fund with the RBI. Thus, the provision of Section 186 except sub-section (1) of the Act is not applicable to the Company. In our opinion and according to the information and explanations given to us, during the year, the Company has not made any investments through more than two layers of investment companies as mentioned in sub-section (1) of section 186 of the Act.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under Section 148(1) of the Act, for the services of the Company.
- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, income-tax, and service tax, cess and other statutory dues applicable to it. The provisions of employees' state insurance, sales-tax, duty of custom, duty of excise, service tax and value added tax are not applicable to the Company.
- (b) According to the information and explanations given to us and audit procedures performed by us, no undisputed amounts payable in respect of provident fund, income-tax, goods and service tax, cess and other statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The provisions related to employees' state insurance, service tax, sales-tax, duty of custom, duty of excise, value added tax, are not applicable to the Company.
- (c) According to the information and explanations given to us, there are no dues of income tax, goods and service tax and cess which have not been deposited on account of any dispute.
- (viii) According to the information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of dues to a financial institution, bank or government or debenture holders.
- (ix) In our opinion and according to the information and explanations given by the management and audit procedures performed by us, the Company has utilized the monies raised by way of debt instruments in the nature of Non-Convertible Debentures and commercial paper for the purposes for which they were raised. According to the information and explanations given by the management and audit procedures performed by us, the Company has not raised any money way of initial public offer or further public offer
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no fraud / material fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanations given by the management and audit procedures performed by us, the managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) According to the information and explanations given by the management and audit procedures performed by us, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.

- (xiv) According to the information and explanations given to us and on an overall examination of the balance sheet, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence, reporting requirements under clause 3(xiv) are not applicable to the company and, not commented upon.
- (xv) According to the information and explanations given by the management and audit procedures performed by us, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of the Act.
- (xvi) According to the information and explanations given to us and audit procedures performed by us, we report that the Company has registered as required, under section 45-IA of the Reserve Bank of India Act, 1934.

Annexure II to the Independent Auditor's Report of even date on the Financial Statements of Kotak Infrastructure Debt Fund Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to financial statements of Kotak Infrastructure Debt Fund Limited (the "Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls with Reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes

Note 1: Notes Forming part of Financial Statements for the Year Ended 31st March, 2021

1.1. CORPORATE INFORMATION

Kotak Infrastructure Debt Fund Limited (the Company), formerly known as Kotak Forex Brokerage Limited, is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is registered as a Non-Banking Financial Company –Infrastructure Debt Finance with Reserve Bank of India. The company is engaged in providing finance for infrastructure projects. The Company is entirely held by Kotak Mahindra Bank Ltd together with its subsidiaries.

The Company was earlier engaged in the business of providing foreign exchange related services. During the year 2017-18, the Company obtained license as Infrastructure Debt Fund – Non Banking Financial Company (IDF-NBFC) from Reserve Bank of India (RBI) vide certificate of Registration No.N-13.02177 dated 6th April, 2017.

The company's registered office is at 27BKC, C 27, G Block, Bandra Kurla Complex, Bandra (E), Mumbai – 400051

1.2. BASIS OF PREPARATION

A. Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. These financial statements were authorized for issue by the Company's Board of Director's on 24th May 2021.

B. Basis of measurement

The financial statements have been prepared on a historical cost basis except for

- Certain financial assets and liabilities - measured at fair value (refer accounting policy regarding financial instruments).
- Share based payments - measured at fair value of the options (refer accounting policy regarding share based payments).

C. Functional and presentation currency

The financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency. All the amounts are rounded to the nearest lakh with two decimals, except when otherwise indicated.

D. Use of estimates and judgements

The preparation of financial statements in accordance with Ind AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the Balance Sheet and Statement of Profit and Loss. The actual amounts realized may differ from these estimates. The estimates and the underlying assumptions are reviewed on an ongoing basis.

Judgement, estimates and assumptions are required in particular for:

I. Determination of estimated useful lives of property, plant, equipment

Useful lives of property, plant and equipment are based on the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support.

II. Determination of lease term:

Ind AS 116 – Leases requires lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes assessment on the expected lease term on lease by lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying to the Company's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

III. Recognition and Measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial valuation. Key actuarial assumptions which form the basis of above valuation includes discount rate, trends in salary escalation, demographics and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations. Further details are disclosed in note 28.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

IV. Recognition and measurement of provisions and contingencies

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the reporting date. The actual outflow of resources at a future date may therefore, vary from the amount included in other provisions.

V. Discounting of long-term financial assets/liabilities

All financial assets/liabilities are required to be measured at fair value on initial recognition. In case of financial assets/liabilities which are required to be subsequently measured at amortized cost, interest is accrued using the effective interest method.

VI. Fair value of share-based payments

Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which depends on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option or appreciation right, volatility and dividend yield and making assumptions about them. The Company initially measures the cost of cash-settled transactions with employees using a Black-Scholes model. Key assumptions have been made with respect to expected volatility including share price, expected dividends and discount rate, under this option pricing model. For cash-settled share-based payment transactions, the liability needs to be re-measured at the end of each reporting period up to the date of settlement, with any changes in fair value recognized in the Statement of Profit and Loss. This requires a reassessment of the estimates used at the end of each reporting period. For the measurement of the fair value of equity-settled transactions with employees at the grant date, the Company uses a Black-Scholes model.

The assumptions and models used for estimating fair value for share-based payment transactions are disclosed in Note 29.

VII. Fair value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. For further details about determination of fair value please see Note 30.

VIII. Business model assessment

Classification and measurement of financial assets depends on the results of the Solely Payments of principal and interest (SPPI) and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortized cost or fair value through other comprehensive income that are derecognized prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held.

IX. Effective Interest Rate (EIR) method

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioral life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle.

This estimation, by nature, requires an element of judgement regarding the expected behavior and life-cycle of the instruments, changes to benchmark rate and other fee income/expense that are integral parts of the instrument.

X. Impairment of financial assets

The Company recognizes loss allowances for expected credit losses on its financial assets measured at amortized cost and Fair Value through Other Comprehensive Income (FVOCI) except investment in equity instruments classified as FVOCI. At each reporting date, the Company assesses whether the above financial assets are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The Company's ECL calculations are outputs of number of underlying assumptions regarding the choice of variable inputs and their interdependencies such as macroeconomic scenarios and estimated recovery from collateral.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

XI. Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit (CGU) exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs of disposing of the asset. The value in use calculation is based on a discounted cash flow model. The recoverable amount is sensitive to the discount rate used for the discounted cash flow model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

XII. Impact relating to the global health pandemic on COVID-19

i. Estimation of uncertainty

The outbreak of COVID-19 virus which was declared a global pandemic by the World Health Organisation on 11th March, 2020 continues to spread across the globe including India, resulting in significant volatility in financial markets. The pandemic has impacted lending business, fee income, collection efficiency etc. which in turn may impact customer defaults and consequently impairment allowance. The Company continues to closely monitor the situation and in response to this health crisis has implemented protocols and processes to execute its business continuity plans and help protect its employees and support its clients.

The Company continues to meet its operating and financial obligations, maintained required capital adequacy ratio and has adequate financial resources to run its business as the Company has not experienced any significant disruptions due to this pandemic and has considered any impact on carrying value of assets based on the external or internal information available up to the date of approval of financial statements. However, the extent to which COVID-19 pandemic will continue to impact the Company's business, results of operations, financial position and cash flows will depend on future developments which remains highly uncertain. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

ii. Impairment on Financial Assets

In assessing the recoverability of loans, investment in debt instruments, the Company has considered internal and external information upto the date of approval of these financial statements including reports of credit rating agencies and economic forecasts. Basis the above information, the Company has assessed the staging criteria and loss given default. Accordingly, the impairment on the financial assets has been computed.

Financial assets measured at amortized cost includes cash and cash equivalents of ₹ 324.18 lakh, bank deposits and earmarked balances with banks of ₹ 23.06 lakh, loans of ₹ 55,115.15 lakh and investment in debt securities of ₹ 18,742.16 lakh as at 31st March, 2021. In addition to the historical pattern of credit loss, for assessing counter party credit risk Company has considered and incorporated emerging situations due to COVID-19. The Company has used management estimates of default rate considering the nature of receivables, financial strength of the customers, and overall economic conditions. The Company closely monitors its customers, reports of credit rating agencies to understand their economic condition. Basis this assessment, the allowance for expected credit loss on financial assets of ₹ 398.60 lakh as at 31st March, 2021 is considered adequate.

iii. Fair value of financial instruments

Fair value hierarchy of financial assets which are carried at fair value are classified as Level 1 as at 31st March 2021.

Financial assets which are classified as Level 1 is marked to an active market which factors the uncertainties arising out of COVID-19. The financial assets carried at fair value by the Company are mainly investments in liquid debt mutual funds and accordingly, material volatility is not expected. For fair values of financial assets and financial liabilities measured at amortized cost which are classified as Level 2, uncertainties arising out of COVID-19 is incorporated in discounts rates, credit spread and expected cash flows.

iv. Leases

The Company has entered into lease arrangement for Corporate and branch office for a term of one year. The Company does not foresee any change in terms of those leases due to COVID-19.

1.3. AMENDMENTS TO EXISTING IND AS

The Ministry of Corporate Affairs notifies new standard or amendments to existing standards. There is no such notification which would have been applicable from 1st April, 2021.

1.4. SIGNIFICANT ACCOUNTING POLICIES

A. Revenue recognition

Interest income on financial assets is recognized on accrual basis using effective interest method other than the financial assets classified as measured at FVTPL. The EIR is determined considering all contractual terms, fees received, transaction costs incurred and all other premiums

Notes

forming part of Financial Statements for the year ended 31st March, 2021

or discounts. Interest revenue is continued to be recognized at the original effective interest rate applied on the gross carrying amount of assets falling under stages 1 and 2 as against on amortized cost net of impairment for the assets falling under stage 3.

Any subsequent changes in the estimation of the future cash flows is recognised in interest income with the corresponding adjustment to the carrying amount of the assets.

Dividend income is accounted on an accrual basis when the Company's right to receive the dividend is established.

B. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

All regular way purchase or sale of financial instruments are recognised and derecognised on a trade date basis. Purchase or sale of unquoted instrument is recognised on the closing date or as and when the transaction is completed as per terms mentioned in relevant transaction agreement /document.

Financial assets

Classification

The Company classifies its financial assets as subsequently measured at either amortized cost or fair value based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction fees or costs that are directly attributable and incremental to the origination/acquisition of the financial asset unless otherwise specifically mentioned in the accounting policies.

Business model assessment

The Company makes an assessment of the objective of a business model in which an asset is held such that it best reflects the way the business is managed and is consistent with the way in which business is managed and information provided to the management. The information considered in conjunction with objectives of business model includes:

- the objectives for the portfolio, in particular, management's strategy of focusing on earning contractual interest revenue, maintaining a particular interest rate profile;
- the frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity;
- the risks that affect the performance of the business model, the financial assets held within that business model and how those risks are managed.
- The Company monitors financial assets measured at Amortized cost that are derecognized prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Based on the Company policy, it can sell financial assets out of Amortized cost business model under following scenarios:
 - If such financial assets no longer meets the credit criteria in Company's investment policy;
 - Credit Risk on a financial assets has increased significantly;
 - To meet liquidity needs in 'stress case scenarios' and does not anticipate selling these assets except in scenarios such as to fund unexpected outflow;
 - Sales are infrequent or insignificant in value both individually or in aggregate
 - if sales are made close to the maturity of the financial assets and the proceeds from the sales approximate the collection of the remaining contractual cash flows.

Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of assessing contractual cash flows, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the assessment, the Company considers:

Notes

forming part of Financial Statements for the year ended 31st March, 2021

- reset terms
- contingent events that would change the amount and timing of cash flows;
- prepayment and extension terms; and
- features that modify consideration of the time value of money – e.g. periodical reset of interest rates.

The Company classifies its financial assets in the following measurement categories

Financial assets at amortized cost

A financial asset is measured at amortized cost only if both of the following conditions are met:

- It is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest (EIR) method. Amortized cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate (EIR) and reported as part of interest income in the Statement of Profit and Loss. The gross carrying amount of a financial asset is the amortised cost of a financial asset before adjusting for any loss allowance. The losses if any, arising from impairment are recognized in the Statement of Profit and Loss.

For financial assets other than purchased or originated credit-impaired financial assets, interest income is calculated by applying effective interest rate to the gross carrying amount of a financial asset, except for financial assets that have subsequently become credit-impaired. For financial assets that have subsequently become credit-impaired, interest income is recognised by applying the effective interest rate to the amortised cost of the financial asset. If, in subsequent reporting periods, the credit risk on the credit-impaired financial instrument improves so that the financial asset is no longer credit-impaired, interest income is recognised by applying the effective interest rate to the gross carrying amount of the financial asset.

For purchased or originated credit-impaired financial assets, the Company recognises interest income by applying the credit-adjusted effective interest rate to the amortised cost of the financial asset from initial recognition. The calculation does not revert to the gross basis even if the credit risk of the financial asset subsequently improves so that the financial asset is no longer credit-impaired.

Financial asset at fair value through Other Comprehensive Income (FVOCI)

Financial asset with contractual cash flow characteristics that are solely payments of principal and interest and held in a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets are classified to be measured at FVOCI.

After initial measurement, such financial assets are subsequently measured at fair value. Subsequent changes in the carrying amount of these financial assets as a result of foreign exchange gains and losses, impairment gains or losses, and interest income calculated using the effective interest method are recognised in Statement of Profit and Loss. The amounts that are recognised in Statement of Profit and Loss are the same as the amounts that would have been recognised in Statement of Profit and Loss if these financial assets had been measured at amortised cost. All other changes in the carrying amount of these financial assets are recognised in other comprehensive income. The loss allowance is recognized in 'Other Comprehensive Income' (OCI) and does not reduce the carrying value of the financial asset. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of Profit and Loss.

Financial asset at fair value through profit and loss (FVTPL)

Any financial instrument, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified to be measured at FVTPL.

Financial instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Financial liabilities and equity instruments:

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

Any contract that evidences a residual interest in the assets after deducting all of its liabilities are classified as Equity Instruments. Equity instruments issued by the Company are recognized at the proceeds received and transaction costs are recognized as a deduction from equity.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

Financial liabilities

Financial liabilities are measured at fair value less transaction cost directly attributable to the issue of the financial liabilities at initial recognition and subsequently measured at amortized cost except when designated to be measured at FVTPL. Interest expense is recognized in Statement of Profit and Loss. Any gain or loss on de-recognition is also recognized in Statement of Profit and Loss.

C. Impairment of Financial Assets

Methodology for computation of Expected Credit Losses (ECL)

The financial instruments covered within the scope of ECL include financial assets measured at amortized cost and FVOCI, such as loans, trade receivables, security deposit, balances with banks and other financial assets. ECL has not been determined on financial assets measured at FVTPL.

The loss allowance has been measured using lifetime ECL except for financial assets on which there has been no significant increase in credit risk since initial recognition. In such cases, loss allowance has been measured at 12 month ECL.

At each reporting date, the Company assesses whether financial assets carried at amortized cost and FVOCI are credit-impaired. A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred since initial recognition. Evidence that a financial asset is credit-impaired include observable data about the following events:

- a. significant financial difficulty of the issuer or the borrower;
- b. a breach of contract, such as a default or past due event;
- c. the Company, for economic or contractual reasons relating to the borrower's financial difficulty, has granted to the borrower a concession(s) that the Company would not otherwise consider;
- d. it is becoming probable that the borrower will enter bankruptcy or other financial re-organisation;
- e. The disappearance of an active market for that financial asset because of financial difficulties.

ECL are a probability-weighted estimate of credit losses, measured as follows:

- Financial assets that are not credit impaired at the reporting date:

ECL has been estimated by determining the probability of default ('PD'), Exposure at Default ('EAD') and loss given default ('LGD').

PD has been computed using observed history of default for long term rated loans by leading credit rating agencies and converted into forward looking PD's considering suitable macro-economic variable and other observable inputs.

- Financial assets that are credit impaired at the reporting date:

ECL has been estimated as the difference between the gross carrying amount and the present value of estimated future cash flows.

For trade receivables, the Company applies a simplified approach. It recognizes impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. Therefore, the Company does not track changes in credit risk, but instead recognizes a loss allowance based on lifetime ECL at each reporting date.

If the terms of a financial asset are renegotiated or modified or an existing financial asset is replaced with a new one due to financial difficulties of the borrower, then an assessment is made of whether the financial asset should be derecognized:

- If the expected restructuring will not result in de-recognition of the existing asset, expected cash flows arising from the modified financial asset are included in calculating cash shortfalls from the existing asset
- If the expected restructuring will result in de-recognition of the existing asset and the recognition of modified asset, the modified asset is considered as a new financial asset. The date of the modification is treated as the date of initial recognition of that financial asset when applying the impairment requirements to the modified financial asset. The impairment loss allowance is measured at an amount equal to 12 month expected credit losses until there is a significant increase in credit risk. If modified financial asset is credit-impaired at initial recognition, the financial asset is recognized as originated credit impaired asset.

Criteria used for determination of movement from stage 1 (12 month ECL) to stage 2 (lifetime ECL) and stage 3 (Lifetime ECL)

The Company applies a three-stage approach to measure ECL on financial assets measured at amortized cost and FVOCI. The assets migrate through the following three stages based on an assessment of qualitative and quantitative considerations:

Notes

forming part of Financial Statements for the year ended 31st March, 2021

Stage 1: 12 month ECL

For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognized. Interest income is accrued using the effective interest rate on the gross carrying amount.

Stage 2: Lifetime ECL (not credit impaired):

At each reporting date, the Company assesses whether there has been a significant increase in credit risk for financial assets since initial recognition. In determining whether credit risk has increased significantly since initial recognition, the Company uses days past due (DPD) information, deterioration in internal/external ratings and other qualitative factors to assess deterioration in credit quality of a financial asset.

For credit exposures where there has been a significant increase in credit risk since initial recognition but that are not credit impaired, a lifetime ECL is recognized. Interest income is accrued using the effective interest rate on the gross carrying amount.

Stage 3: Lifetime ECL (credit impaired):

Financial assets are assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of the asset have occurred. For financial assets that have become credit impaired, a lifetime ECL is recognized and interest revenue is calculated by applying the effective interest rate to the amortized cost (net of loss allowance).

If, in a subsequent period, credit quality improves and reverses any previously assessed significant increase in credit risk since origination, then the Expected Credit Loss reverts from lifetime ECL to 12-months ECL.

For financial instruments whose significant payment obligations are only after next 12 months, life time ECL is applied.

Method used to compute lifetime ECL:

The Company calculates ECLs based on a probability-weighted scenarios to measure the expected cash shortfalls, discounted at an approximation to the EIR. A cash shortfall is the difference between the cash flows that are due to an entity in accordance with the contract and the present value of cash flows that the entity expects to receive. The Company estimates 12 month ECL and lifetime ECL using number of variable inputs such as historical default rate, macroeconomic scenarios, contractual life of financial assets and estimated recovery from collateral.

Manner in which forward looking assumptions has been incorporated in ECL estimates:

The Company considers historical observed default rates and adjusts it for current observable data. In addition, the Company uses reasonable forecasts of future economic conditions including expert judgement to estimate the amount of expected credit losses. The methodology and assumptions including any forecasts of future economic conditions are periodically reviewed and changes, if any, are accounted for prospectively. The Company's ECL calculations are output of number of underlying assumptions regarding the choice of variable inputs and their interdependencies such as macroeconomic scenarios and collateral values.

D. Write-offs

Financial assets are written off either partially or in their entirety when there is no realistic prospect of recovery. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts. If the amount to be written off is greater than the accumulated loss allowance, the difference is first treated as an addition to the allowance that is then applied against the gross carrying amount. Any subsequent recoveries are credited to impairment on financial instruments in Statement of Profit and Loss. However, financial assets that are written off may be subject to enforcement activities to comply with the Company's procedures for recovery of amounts due.

E. Derecognition of financial assets and financial liabilities

Financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the

Notes

forming part of Financial Statements for the year ended 31st March, 2021

risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay

On de-recognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognized) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognized in OCI is recognized in statement of profit or loss.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire.

F. Modifications of financial assets and financial liabilities

Financial assets

If the terms of a financial asset are modified, the Company evaluates whether the cash flows of the modified asset are substantially different. If the cash flows are substantially different, then the contractual rights to cash flows from the original financial asset are deemed to have expired. In this case, the original financial asset is derecognized, and a new financial asset is recognized at fair value.

If the cash flows of the modified asset carried at amortized cost are not substantially different, then the modification does not result in recognition of the financial asset. In this case, the Company recalculates the gross carrying amount of the financial asset as the present value of the renegotiated or modified contractual cash flows that are discounted at the financial asset's original effective interest rate and recognizes the amount arising from adjusting the gross carrying amount as a modification gain or loss in the Statement of Profit and Loss. Any costs or fees incurred adjust the carrying amount of the modified financial asset and are amortized over the remaining term of the modified financial asset. If such a modification is carried out because of financial difficulties of the borrower, then the gain or loss is presented together with impairment losses, in other cases, it is presented as interest income.

Financial liabilities

The Company derecognizes a financial liability when its terms are modified, and the cash flows of the modified liability are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in statement of profit or loss.

G. Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for financial instruments.

Management uses its judgement in selecting an appropriate valuation technique for financial instruments not quoted in an active market. Valuation techniques commonly used by market participants are applied.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the lowest level inputs that are significant to the measurements, used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

H. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

I. Property, plant and equipment

Property, plant and equipment are stated at acquisition cost less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. Gain or losses arising from the retirement or disposal of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of property, plant and equipment and recognized as income or expense in the Statement of Profit and Loss.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Depreciation is provided on a pro-rata basis on a Straight Line Method over the estimated useful life of property, plant and equipment at rates, which are equal to or higher than the rates prescribed under Schedule II of the Companies Act, 2013 in order to reflect the actual usage of property, plant and equipment. The estimates of useful lives of property, plant and equipment, based on a technical evaluation, are reviewed periodically, including at each financial year-end. Estimated useful lives over which assets are depreciated are as follows:

Asset Type	Useful life in years
Premises	58
Leasehold Improvements	Over the period of lease subject to a maximum of 6 years
Office Equipment	5
Computers	3
Furniture and Fixtures	6
Vehicles	4

Used property, plant and equipment purchased are depreciated over the residual useful life from the date of original purchase. For property, plant and equipment purchased and sold during the year, depreciation is provided on pro rata basis by the Company.

J. Borrowing cost

Borrowing costs other than those directly attributable to qualifying Property, Plant and Equipment are recognized on EIR basis.

K. Taxes on income

The Company is an Infrastructure Debt Fund - Non Banking Finance Company (IDF - NBFC) registered with the Reserve Bank of India on 6th April 2017. Therefore, income of the Company is exempt under sections 10(47) of the Income Tax Act, 1961 (the Act). The Company has applied to CBDT to get it notified in the Official Gazette as required u/s 10(47) of the Act and are in the process of receiving approval for the same. Accordingly, no income tax is payable on the company's income for the financial year 2020-21 and therefore no provision for tax & deferred tax asset / liabilities has been recognized.

L. Employee benefits

- I. Provident fund is a defined contribution scheme and the contributions as required by the statute to Government Provident Fund are charged to the Statement of Profit and Loss when due.
- II. The Company contributes up to 10% of eligible employee's salary per annum, to the New Pension Fund administered by a Pension Fund Regulatory and Development Authority (PFRDA) appointed pension fund manager. The Company recognizes such contributions as an expense in the year when an employee renders the related service.
- III. Gratuity liability is a defined benefit obligation and is wholly unfunded. The Company accounts for liability for future gratuity benefits based on actuarial valuation. The net present value of the Company's obligation towards the same is actuarially determined based on the projected unit credit method as at the Balance Sheet date.
- IV. Re-measurement of all defined benefit plans, which comprise actuarial gains and losses, are recognised immediately in other comprehensive income in the year they are incurred. Re-measurements are not reclassified to profit or loss in subsequent period. Re-measurement gains or losses on long term compensated absences that are classified as other long term benefits are recognised in profit or loss. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in statement of profit or loss.
- V. The amount of short term employee benefits expected to be paid in exchange for the services rendered by employee is recognized during the period when the employee renders the service. These benefits include performance incentives.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

- VI. The Company accrues the liability for compensated absences based on the actuarial valuation as at the balance sheet date conducted by an independent actuary which includes assumptions about demographics, early retirement, salary increases, interest rates and leave utilization. The net present value of the Company's obligation is determined based on the projected unit credit method as at the Balance Sheet date.
- VII. As per the Company's policy, employees of the Company are eligible for an award after completion of a specified number of years of service with the Company. The obligation is measured at the Balance Sheet date on the basis of an actuarial valuation using the projected unit credit method conducted by actuary of Life Insurance of fellow subsidiary.

M. Employee share based payments

Equity-settled scheme:

Equity-settled share-based payments to employees are measured at the fair value of the equity instruments at the grant date. The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

Cash-settled scheme:

The cost of cash-settled scheme (stock appreciation rights) is measured initially using fair value method at the grant date taking into account the terms and conditions upon which the instruments were granted. This fair value is amortized on a straight-line basis over the vesting period with recognition of corresponding liability. This liability is re-measured at each balance sheet date up to and including the settlement date with changes in fair value recognised in the Statement of Profit and Loss in 'Provision for Stock Appreciation Rights' under the head Employee Benefit Expense.

N. Segmental reporting

The company's operating segments are established on the basis of those components of the company that are evaluated regularly by the Executive Committee (the 'Chief Operating Decision Maker' as defined in Ind AS 108 - 'Operating Segments'), in deciding how to allocate resources and in assessing performance. These have been identified taking into account nature of products and services, the differing risks and returns and the internal business reporting systems. Basis evaluation, the company concluded it operates in single reportable segment.

O. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

P. Provisions and contingent liabilities

Provisions involving substantial degree of estimation in measurement are recognized when there is present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but disclosed in the notes. Contingent assets are neither recognized nor disclosed in financial statements.

Q. Leases

At the inception of the contract Company assesses whether a contract is, or contains a lease. A contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of identified asset;
- (ii) the Company has substantially all the economic benefits from the use of the asset through the period of lease; and
- (iii) the Company has right to direct the use of the asset.

As lessee

The Company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

R. Impairment of non-financial assets

The carrying values of assets at each balance sheet date are reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognized for such excess amount in the Statement of Profit and Loss.

The recoverable amount is the greater of the fair value less costs of disposal and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets, such reversal is not recognized.

S. Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand and demand deposits with banks. It also comprises of short-term deposits with an original maturity of three months or less, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

T. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows' as amended from time to time.

The Company is a Non Banking Finance Company - Infrastructure Debt Fund (NBFC-IDF) registered with the Reserve Bank of India on 6th April 2017. The income of the Company is exempt under sections 10(47) of the Income Tax Act, 1961 (the Act). In July 2017, the Company has applied to CBDT to get it notified in the Official Gazette as required u/s 10(47) of the Act and is in the process of obtaining the approval. The Company has received assessment order for AY 18-19 on 4.4.2021 in which the exemption u/s 10(47) has been denied on the ground that the notification u/s 10(47) has not been issued. The Company believes that notification in the Official Gazette, once issued, will be effective from the date of application and will be applicable from AY 2018-19. Accordingly, the Company has not created any provision for tax.

Provident Fund

The Honourable Supreme Court has recently provided a judgment in case of "Vivekananda Vidyamandir And Others Vs The Regional Provident Fund Commissioner (II) West Bengal" and the related circular (Circular No. C-1/1(33)2019/Vivekananda Vidya Mandir/284) dated 20th March, 2019 issued by the Employees' Provident Fund Organisation in relation to non-exclusion of certain allowances from the definition of "basic wages" of the relevant employees for the purposes of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. With regard to above Supreme Court (SC) judgement there are various interpretative issues including applicability and the impact thereof cannot be quantified however, the Company has obtained a legal advice in this matter that this judgement should be applicable from March 2019.

NOTE 27 LEASE

While applying Ind AS 116 for the first time, the Company has used the following practical expedients for leases previously classified as operating leases:

- exemption related to short-term leases and
- exemption related to leases of low value assets

Accordingly, rent payment to holding/fellow Subsidiary Company for sharing of Premises are recognized in Statement of profit & Loss under the head "Rent, taxes and energy costs" amounting to ₹ 40.04 lakh (PY ₹ 37.91 lakh).

Notes

to the Financial Statements for the year ended 31st March, 2021

NOTE 28 EMPLOYEE BENEFITS

A. The Company contributes to the following post-employment defined benefit plans in India

(i) Defined Contribution Plans:

The Company makes Provident Fund contributions to Recognized Provident Fund for employees. The Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised ₹15.17 lakh (Year ended 31 March, 2020 ₹ 16.20) for Provident Fund contributions in the Statement of Profit and Loss. The contributions payable to the Fund are at rates specified in the Rules of the Scheme.

(ii) Defined Benefit Plan:

The Company offers the following employee benefit schemes to its employees:

In accordance with Payment of Gratuity Act, the Company provides for gratuity, a defined benefit retirement plan covering all employees. The plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee's salary and the years of employment with the Company.

The gratuity benefit is provided through unfunded plan and annual contributions are charged to the statement of profit and loss. Under the scheme, the settlement obligation remains with the Company. Company accounts for the liability for future gratuity benefits based on an actuarial valuation. The net present value of the Company's obligation towards the same is actuarially determined based on the projected unit credit method as at the Balance Sheet date.

Based on the actuarial valuation obtained in this respect, the following table sets out the status of the gratuity plan and the amounts recognised in the Company's financial statements as at balance sheet date:

(Amount in lakh)

Particulars	Note	As at	As at
		31 st March, 2021	31 st March, 2020
Total employee benefit liabilities	11	24.47	23.32
Total employee benefit liabilities		24.47	23.32

B. Movement in net defined benefit (asset) liability

The following table shows a reconciliation from the opening balances to the closing balances for net defined benefit (asset) liability and its components

(Amount in lakh)

	Defined benefit obligation		Fair value of plan assets		Net defined benefit (asset) liability	
	As at 31 st March, 2021	As at 31 st March, 2020	As at 31 st March, 2021	As at 31 st March, 2020	As at 31 st March, 2021	As at 31 st March, 2020

Notes

to the Financial Statements for the year ended 31st March, 2021

C. Expenses recognised in profit & loss

(Amount in lakh)

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Current service cost	3.46	2.57
Past service cost	-	-
Administration expenses	-	-
Interest on net defined benefit liability / (asset)	1.38	1.18
(Gains) / losses on settlement	-	-
	4.84	3.75

D. Remeasurements recognised in other comprehensive income

(Amount in lakh)

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Actuarial loss (gain) arising from:		
Demographic assumptions	-	-
Financial assumptions	0.32	0.41
Experience adjustment	(0.94)	1.35
Return on plan assets excluding interest income	-	-
	(0.62)	1.76

E. Defined benefit obligations

i. Actuarial assumptions

The following were the principal actuarial assumptions at the reporting date (expressed as weighted averages)

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Discount rate	6.20%	6.40%
Salary escalation rate	7.00%	0% for year 1, 7.00% after that

ii. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

(Amount in lakh)

Particulars	As at 31 st March, 2021		As at 31 st March, 2020	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	23.67	25.31	22.54	24.14
Future salary growth (0.5% movement)	24.87	24.08	23.71	22.94

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

F. Experience Adjustments

(Amount in lakh)

Particulars	Gratuity					
	Year ended 31 st March					
	2021	2020	2019	2018	2017	2016
Defined benefit obligation	24.47	23.32	17.81	15.94	-	9.87
Plan assets	-	-	-	-	-	-
Surplus / (deficit)	(24.47)	(23.32)	(17.81)	(15.94)	-	(9.87)
Experience adjustments on plan liabilities	(0.94)	1.35	(2.66)	-	-	(0.04)
Experience adjustments on plan assets	-	-	-	-	-	-

Notes

to the Financial Statements for the year ended 31st March, 2021

G. Accumulated Compensated Absences

The Company provides for accumulated compensated absences as at the balance sheet date on the basis of an actuarial valuation. The Company recognized ₹ 0.14 lakh (Previous year: ₹ -3.66 lakh*) for Compensated Absences in the Statement of Profit and Loss.

*Reversal of provision during FY 2019-20 is due to change in compensated absence policy of the Company

H. Long Service Award

The Company provides for long service awards as at the balance sheet date on the basis of an actuarial valuation using the projected unit credit method conducted by actuary of Life Insurance of its fellow subsidiary.

NOTE 29 SHARE-BASED PAYMENT ARRANGEMENTS:

A. Description of share-based payment arrangements

i. Share option plans (equity-settled)

At the General Meetings of the holding company, Kotak Mahindra Bank Limited, the shareholders of the Bank had unanimously passed Special Resolutions on 5th July 2007, 21st August 2007 and 29th June 2015, to grant options to the eligible employees of the Bank and its subsidiaries and associate companies. Pursuant to these resolutions, the following Employees Stock Option Schemes had been formulated and adopted:

- (a) Kotak Mahindra Equity Option Scheme 2007; and
- (b) Kotak Mahindra Equity Option Scheme 2015

Further, pursuant to the Scheme of Amalgamation of ING Vysya Bank (IVBL) with the Bank, the Bank has renamed and adopted the ESOP Schemes of the erstwhile IVBL, as given below:

- (a) Kotak Mahindra Bank Ltd. (IVBL) Employees Stock Option Scheme 2007
- (b) Kotak Mahindra Bank Ltd. (IVBL) Employee Stock Option Scheme 2010; and
- (c) Kotak Mahindra Bank Ltd. (IVBL) Employees Stock Option Scheme 2013

Consequent to the above, the Bank has granted stock options to employees of the Company.

B. Measurement of fair values

i. Equity-settled share-based payment arrangements

The fair value of the employee share options has been measured using the Black-Scholes formula. Service and non-market performance conditions attached to the arrangements were not taken into account in measuring fair value.

As at 31st March, 2021

Scheme	Grant Date	Vesting period	Exercise period	Expected life (Years)	Exercise Price (₹)	Market price (₹)	Risk free rate	Annual Dividend yield	Volatility	Fair value per share options (₹)
2015-07	15-May-17	1.30-3.63	0.50-0.50	1.54-3.88	955.00	954.65	6.64%-6.95%	0.06%	20.74% - 35.44%	145.98-349.84

As at 31st March, 2020

Scheme	Grant Date	Vesting period	Exercise period	Expected life (Years)	Exercise Price (₹)	Market price (₹)	Risk free rate	Annual Dividend yield	Volatility	Fair value per share options (₹)
2015-07	15-May-17	1.30 - 3.63	0.50 - 0.50	1.54 - 3.88	955.00	954.65	6.64% - 6.95%	0.06%	20.74% - 35.44%	145.98 - 349.84
2015-14	18-May-18	1.20 - 3.62	0.50 - 0.50	1.45 - 3.87	1,271.00	1,270.70	7.44% - 7.99%	0.06%	18.68% - 32.95%	184.60 - 465.70
2015-19	20-May-19	1.20 - 3.62	0.50 - 0.50	1.45 - 3.87	1,460.00	1,460.00	6.63% - 7.03%	0.05%	21.16% - 31.00%	230.35 - 508.28

The following table lists the average inputs to the models used for the plans for the year ended 31st March, 2021

Particulars	Description of the inputs used
Expected volatility (weighted-average)	Expected volatility of the option is based on historical volatility, during a period equivalent to the option life, of the observed market prices of Kotak Mahindra Bank Limited's publicly traded equity shares.
Expected dividends	Dividend yield of the options is based on recent dividend activity.
Risk-free interest rate (based on government bonds)	Risk-free interest rates are based on the government securities yield in effect at the time of the grant.

The following table lists the average inputs to the models used for the plans for the year ended 31st March, 2021.

Particulars	Description of the inputs used
Expected volatility (weighted-average)	Expected volatility of the option is based on historical volatility, during a period equivalent to the option life, of the observed market prices of Kotak Mahindra Bank Limited's publicly traded equity shares.
Expected dividends	Dividend yield of the options is based on recent dividend activity.
Risk-free interest rate (based on government bonds)	Risk-free interest rates are based on the government securities yield in effect at the time of the grant.

Reconciliation of Stock Appreciation Rights (cash-settled)

Fair value of Statement of Financial Position is presented below:

(Amount in lakh)

Particulars	As at 31 st March, 2021		As at 31 st March, 2020	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Financial assets				
Cash and cash equivalents	324.11	324.11	10,778.93	10,778.93
Bank Balance other than cash and cash equivalent	23.05	23.05	28.26	28.26
Loans	54,772.18	55,892.02	58,112.56	57,838.84
Investments	37,213.94	38,611.38	20,185.07	20,748.72
Total	92,333.28	94,850.56	89,104.82	89,394.75
Financial liabilities				
Payables				
Trade Payables	63.16	63.16	63.04	63.04
Debt securities	51,711.83	52,758.51	52,056.18	51,977.16
Subordinated Liabilities	75.25	74.13	75.25	71.18
Total	51,850.24	52,895.80	52,194.47	52,111.38

The fair value of trade payables, other financial assets, other receivables, cash and cash equivalent including other current bank balances and other financial liabilities etc. are considered to be the same as their carrying amount, due to current and short term nature of such balances. The fair value of short term financial assets i.e. loans are considered to be the same as their carrying amount.

30.3. MEASUREMENT OF FAIR VALUES

The fair value of financial instruments have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The categories used are as follows:

Level 1 : Level 1 hierarchy includes financial instruments measured using unadjusted quoted prices in active markets that the Company has the ability to access for the identical assets or liabilities. A financial instrument is classified as a Level 1 measurement if it is listed on an exchange. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued at the closing Net Asset Value (NAV).

Level 2 : The fair value of financial instruments that are not traded in active markets is determined using valuation techniques which maximize the use of observable market data either directly or indirectly, such as quoted prices for similar assets and liabilities in active markets, for substantially the full term of the financial instrument but do not qualify as Level 1 inputs. If all significant inputs required to fair value an instrument are observable the instrument is included in level 2.

Level 3 : If one or more of the significant inputs is not based on observable market data, the instruments is included in level 3. That is, Level 3 inputs incorporate market participants' assumptions about risk and the risk premium required by market participants in order to bear that risk. The Company develops Level 3 inputs based on the best information available in the circumstances.

30.3.1. Financial instruments valued at carrying value

The respective carrying values of certain on-balance sheet financial instruments approximated their fair value. These financial instruments include cash in hand and bank balances, trade receivables, trade payables, certain other assets and liabilities that are considered financial instruments. Carrying values were

Notes

to the Financial Statements for the year ended 31st March, 2021

assumed to approximate fair values for these financial instruments as they are short-term in nature and their recorded amounts approximate fair values or are receivable or payable on demand.

30.3.2. Valuation techniques used to determine fair value:

30.3.2.1. Investments in Mutual Funds

The fair values of investments in mutual funds is based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors.

30.3.2.2. Investments in debentures

The fair values of investments are calculated based on a discounted cash flow model. It considers the present value of expected receipts/payments discounted using appropriate discounting rates.

30.3.3. Fair value of financial instruments carried at amortised cost

30.3.3.1. Loans

The fair values of loans that do not reprice or mature frequently are estimated using discounted cash flow models. The discount rates were based on yield curves appropriate for the remaining maturities of the Loans as published by FIBIL consequently for the purposes of level disclosures categorized under Level 2. Fair value of Level 2 loans would decrease (increase) in value depending on increase (decrease) in discount rate.

30.3.3.2. Borrowings/Preference Share Issued

The fair values of the Company's borrowings and other debt securities are calculated based on a discounted cash flow model. The discount rates were based on yield curves appropriate for the remaining maturities of the instruments as published by FIBIL.

30.4. Financial Risk Management

The Company's activities expose it to a variety of risks namely:

- Credit risk ;
- Liquidity risk ; and
- Interest rate risk

30.5. Risk Management Framework

The Risk Management Policy, inter alia, includes identification therein of elements of risk, including those which in the opinion of the Board may threaten the existence of the Company. Risk management process has been established across the Company and is designed to identify, assess and frame a response to threats that affect the achievement of its objectives. Further, it is embedded across all the major functions and revolves around the goals and objectives of the organization.

The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how the management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

The Risk Management committee of Board exercises supervisory power in connection with the risk management of the company, monitoring of the exposures, reviewing adequacy of risk management process, reviewing internal control systems, ensuring compliance with the statutory/regulatory framework of the risk management process.

Notes

to the Financial Statements for the year ended 31st March, 2021

The note below explains the sources of risk which the entity is exposed to and how the entity manages the risk in its financial statements

Risk	Exposure arising from	Management
Credit Risk	Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans and advances. Credit risk encompasses both, direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks.	<p>The company adheres to high standards of credit risk management and mitigation. The lending proposals are approved by two tier structure i.e Credit Committee and Board and are subjected to thorough assessment of promoters; group financial strength and leverage; operational & financial performance track record; cash flows; evaluation of collateral (projects - considering status of operations, market benchmarking / cash flows). The exposures are regularly monitored for project performance, cash flows, security cover etc.</p> <p>Board of Directors (the Board) of the Company is the guiding body for management of its credit risk and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties and for Group of Counterparties, sectoral and geographical caps and by monitoring exposures in relation to such limits.</p>
Liquidity Risk	Liquidity risk is the risk that the Company is unable to meet its financial obligations when they fall due without adversely affecting its financial condition. Liquidity risk arises because of mismatches in the timing of the cash flows.	<p>Board of Directors (the Board) of the Company defines its liquidity risk management strategy and sets the overall policy and risk tolerances.</p> <p>In order to manage/mitigate liquidity risk, in addition to regulatory limits on liquidity gaps, the Company has also defined prudential internal limit for Liquidity Gap tolerance for its time bucket which is approved by the Board.</p> <p>Treasury is responsible for managing liquidity under the liquidity risk management framework as approved by the Board.</p> <p>ALCO is responsible for ensuring adherence to the risk tolerance/limits set by the Board.</p> <p>Liquidity risk management strategies and practices are reviewed to align with changes to the external environment, including regulatory changes, business conditions and market developments. Actual and anticipated cash flows generated are monitored to ensure compliance with limits.</p>
Interest rate risk	Interest rate risk consists primarily of risk inherent in ALM activities and relates to the potential adverse impact of changes in market interest rates on future net interest income. Interest rate risk arises from mismatches in re-pricing of interest rate sensitive assets (RSA) and rate sensitive liabilities (RSL).	<p>Board of Directors (the Board) of the Company is the guiding body for management of its interest rate risk and sets the overall policy and risk limits.</p> <p>In order to manage/mitigate interest rate risk, the Company has defined Interest Rate Sensitive Gap tolerance limits for each time bucket which is approved by the Board.</p> <p>Treasury is entrusted with the responsibility of managing interest rate risk within the overall risk limits as approved by the Board.</p> <p>ALCO is responsible for ensuring adherence to the risk tolerance/limits set by the Board.</p>

30.5.1. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans and advances. Credit risk encompasses both, direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks.

The company adheres to high standards of credit risk management and mitigation. The lending proposals are subjected to thorough assessment of promoters; group financial strength and leverage; operational & financial performance track record; cash flows; valuation of collateral (real estate - considering status of approvals, market benchmarking & current going rates; corporates – considering capital market trend / cash flows / peer comparison as applicable).

The exposures are subjected to regular monitoring of (project operating performance, cash flows, security cover; corporates – exposures backed by listed securities, security cover is regularly monitored). The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties and for Group of Counterparties and by monitoring exposures in relation to such limits.

The carrying amounts of following financial assets represent the maximum credit risk exposure:-

Particulars	(Amount in lakh)	
	As at 31 st March, 2021	As at 31 st March, 2020
Loans at amortised cost	55,115.15	58,601.19

30.5.1.2 Narrative disclosures of credit risk

The amount of collateral obtained, if deemed necessary by the company upon extension of credit, is based on management's credit evaluation of the counterparty. Security primarily include Infrastructure projects which have completed more than 1 year of operation

Notes

to the Financial Statements for the year ended 31st March, 2021

30.5.1.3. Amounts arising from ECL

i. Inputs, assumptions and techniques used for estimating impairment on loans

Inputs considered in the ECL model:

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk since initial recognition on an ongoing basis at each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition.

When determining whether the risk of default on a financial instrument has increased significantly since initial recognition, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience, credit assessment and including forward looking information.

Loans and Investments are categorized into three stages based on the risk profiles. The three stages reflect the general pattern of credit deterioration of a financial instrument.

The company categorises loan assets into stages based on the days past due status.

- Current - Stage 1
- 0-30 days past due - Stage 1
- 31- 60 days past due - Stage 2
- 61- 90 days past due - Stage 2
- More than 90 days past due - Stage 3

The three stages reflect the general pattern of credit deterioration of a financial instrument.

Further, company considers following factors to determine staging:

For downgrade from Stage 1 to Stage 2:

- 2 notch downgrade in Internal rating (wherever available) since initial recognition of loan
- 2 notch downgrade in external rating (wherever available) since initial recognition of loan
- Wherever management thinks there is significant increase in credit risk based on the internal assessment.

For upgradation from higher stage to lower stage:

If downgrade was because of deterioration in credit rating (Internal or External), Loan is moved from higher stage to lower stage as soon as rating moves back to rating at the time of initial recognition. In other cases Loan is moved from higher stage to lower stage after following cooling off period is applied:

For Upgrade from Stage 2 to Stage 1

- Account should Continue in lower than 30 dpd for at least six months.

For Upgrade from Stage 3 to Stage 2

- Account should Continue in lower than 90 dpd for at least six months or
- Moves to Zero dpd

Assumption considered in the ECL model:

- "Probability of default" (PD) is defined as the probability of whether the borrowers will default on their obligations in the future. Company is computing Probability of default using average of default rate observed by respective Credit Rating Agencies over last 10 years for their respective rating.

- "Exposure at default" (EAD) represents the expected exposure in the event of a default and is the gross carrying amount in case of the financial assets held by the Company.

- "Loss given default" (LGD) is an estimate of loss from a transaction given that a default occurs. Company is applying appropriate hair cut on the value of collateral depending on the type of collateral. All loans are secured by multiple collateral securities (Property, plant and machinery, receivable and Listed Shares). Company further applies minimum LGD for secured and unsecured exposure computed after applying applicable haircut.

The Company provides for Expected Credit Losses based on the following:

Category - Description	Basis for recognition of ECL
1. Stage 1 - Standard (Performing) Asset -	12 month PD
2. Stage 2 - Significant Credit Deteriorated Asset -	Life time PD
3. Stage 3- Default (Credit Impaired) Asset -	100% PD

Notes

to the Financial Statements for the year ended 31st March, 2021

Forward looking information:

The Company incorporates forward looking information into both assessment of whether the credit risk of an instrument has increased significantly since its initial recognition and its measurement of ECL. Based on the consideration of a variety of external actual and forecast information, the Company forms a 'base case' view of the future direction of relevant economic variables such as real GDP, lending rate, private consumption, domestic demand and money supply. This process involves developing two or more additional scenarios and considering the relative probabilities of each outcome. The base case represents a most likely outcome while the other scenarios represent more optimistic and more pessimistic outcomes.

Assessment of significant increase in credit risk:

The credit risk on a financial asset of the Company are assumed to have increased significantly since initial recognition when contractual payments are more than 30 days past due. Accordingly the financial assets shall be classified as Stage 2, if on the reporting date, it has been more than 30 days past due.

Credit Impaired:

A default on a financial asset is when the counterparty fails to make the contractual payments within 90 days from the day it is due. Accordingly the financial assets shall be classified as Stage 3, if on the reporting date, it has been 90 days past due.

Policy for write-off of Financial assets

All loans which in the opinion of management are not recoverable are written off.

30.5.1.4. Impairment loss allowance

The following table shows movement of the loss allowances and write offs from opening balance to closing balance :

Particulars	As at 31 st March, 2021		As at 31 st March, 2020

to the Financial Statements for the year ended 31st March, 2021

30.5.2. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Maturity Profile of Financial Liabilities

The following are the remaining contractual maturities of financial asset & liabilities at the reporting date. For Financial Liabilities amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements, if any. For financial assets, only carrying values (excluding any provision for impairment loss) as on the reporting date are considered.

Particulars	Carrying amount	Up to 30 / 31 days	Over 1 month upto 2 Month	Over 2 month upto 3 Month	Over 3 month upto 6 Month	Over 6 month upto 1 year	Over 1 year upto 3 years	Over 3 years upto 5 years	Over 5 years	Total

30.5.3. Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing borrowings, loans and investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing loans & investments will fluctuate because of fluctuations in the interest rates.

Notes

to the Financial Statements for the year ended 31st March, 2021

30.5.3.1. Exposure to interest rate risk

Company's interest rate risk arises from borrowings, loans and advances. The interest rate profile of the Company's interest bearing financial instruments as reported to the management of the Company is as follows.

Particulars	(Amount in lakh)	
	As at 31 st March, 2021	As at 31 st March, 2020
Fixed-rate instruments*		
Financial assets	60,185.95	50,549.30
Financial liabilities	(21,055.27)	(21,048.96)
Variable-rate instruments*		
Financial assets	32,221.73	37,923.93
Financial liabilities	(30,731.81)	(31,082.48)
Rate Insensitive	(135.97)	568.66
Total Net	40,484.63	36,910.45

*Above amounts are gross of ECL.

30.5.3.2. Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

30.5.3.3. Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables remain constant.

Particulars	(Amount in lakh)			
	As at 31 st March, 2021		As at 31 st March, 2020	
	100 bp increase	100 bp decrease	100 bp increase	100 bp decrease
Variable rate instruments	14.90	(14.90)	68.41	(68.41)
Cash Flow Sensitivity	14.90	(14.90)	68.41	(68.41)

The risk estimates computation assume a parallel shift of 100 basis points interest rate across all yield curves and tenure. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

30.5.4. Market Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Company is exposed to market risk which primarily includes risk of change in market value of investments. Thus, exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities. Objective of Market risk management is to minimize impact of change in Market value of lending/investments.

30.5.5. Currency Risk

The Company is not exposed to currency risk.

Notes

to the Financial Statements for the year ended 31st March, 2021

NOTE 31 CAPITAL DISCLOSURE

The primary objectives of the capital management policy is to ensure that the Company complies with capital requirements stipulated by regulator, maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to fund growth or comply with regulatory capital requirement, Company depends on internal accrual or may raise additional capital. Company may adjust the amount of dividend payment to shareholders or return capital to shareholders.

There has been No change in the objectives and policies guiding capital planning from the previous years, however the same is constantly reviewed by the Board.

(Amount in lakh)

Note 36.09 Related Party Transactions

36.09.1. Details of all material transactions with the related parties

Refer Note No. 26

36.09.2. Policy on dealing with Related Party transaction:

The Company has made a list of related parties after considering the requirements and based on the annual declaration received from individuals like Directors and Key Managerial Personnel (KMP). The Directors and KMP's are also required to inform the Company of any changes to such declaration during the year. All related party transactions are reported and referred for approval to the Audit Committee as per section 177 of the Companies Act, 2013. The Audit committee may grant general approval for repetitive related party transactions. Such general approval will be valid for a period of one year and a fresh approval shall be taken for every financial year.

As per section 188 of the Companies Act, 2013, the consent of the Board/Shareholders' approval is required, by a special resolution in a general meeting, for entering into the specified transactions with a related party, if they are not in ordinary course of business of the Company or at arm's length and exceeds the threshold limits as specified in the Act.

37.06. Institutional set-up for liquidity risk management

The Board of Directors (the Board) is responsible for the overall management of Liquidity Risk. The Board has defined liquidity risk management strategy and sets the overall policy and risk tolerances.

In order to manage/mitigate liquidity risk, in addition to regulatory limits on liquidity gaps, the Company has also defined prudential internal limit for Liquidity Gap tolerance for its time bucket which is approved by the Board.

Treasury is responsible for managing liquidity under the liquidity risk management framework as approved by the Board. ALCO is responsible for ensuring adherence to the risk tolerance/limits set by the Board.

Liquidity risk management strategies and practices are reviewed to align with changes to the external environment, including regulatory changes, business conditions and market developments. Actual and anticipated cash flows generated are monitored to ensure compliance with limits.
